This is an excellent opportunity to acquire a large plastic injection molding firm. The sale includes all assets including the extensive equipment list, client contracts, and intellectual property. A long-term lease is available at the expansive, fully functioning facility. AVERAGE ANNUAL SALES OF \$900,000. If desired, the company is relocatable. This acquisition is ideally suited for an owner-operator, investor or established molding firm looking to expand its operations in California. This company is seeking fresh energy to take over their long-term accounts, as the current owner is seeking retirement. A fully outfitted plastic injection molding firm is ready and available!
