PRICE REDUCED & Seller will consider seller financing for qualified buyer. Founded in 2000, this well-established motorcycle repair shop is a rare gem in the motorcycle community–focusing solely on repairs rather than sales. The owner balances his time between managing the business and performing hands-on mechanic work, while his wife oversees operations as the full-time office manager. Relying entirely on word-of-mouth referrals. Inventory of approx. $150K is not included.
