Established in 2009, this profitable engineering business specializes in underground utilities, demolition, and grading services for primarily private commercial and industrial clients, with select public and residential projects. Known for its efficiency, strong repeat customer base, and broad service capabilities, the company is supported by an extensive fleet of well-rounded equipment, including excavators, skid steers, loaders, dozers, scrapers, water trucks, dump trucks, trailers, and related machinery. This is an excellent opportunity to acquire a proven operation with established relationships, valuable equipment assets, and continued growth potential. Acquisition of the accompanying 1.74 acre real property is preferred in conjunction with the business sale.
