

PH10579 - Services

Northern California

[Click HERE to contact us about this business!](#)

This company offers a full range of fulfillment services complemented by real time inventory control. Strategically located in a major metropolitan area close to a major port. They offer easy access to their discerning clients. They use the latest industry software to manage all aspects of operations. This gives their clients real time 24-hour access to inventory and order fulfillment information. The success of this business is in client satisfaction which can be directly attributed to a conscientious staff. The owner has created this environment by treating the staff with respect and making everyone feel important. The owner wishes to retire and is looking for a buyer that will take the company to the next level.

1m+ SDE, Retiring Owner, SBA Qualified
