Slapfish is a renowned award-winning fast-casual seafood franchise founded in 2011 by celebrity chef Andrew Gruel. Their ridiculously fresh and "crave-worthy" sustainable seafood is nationally recognized on the Cooking Channel, the TODAY Show, PBS and featured in The Wall Street Journal, Men's Health, Food & Wine Magazine, Entrepreneur, and Restaurant Business, just to name a few. Slapfish is a trend-setting alternative to the over-saturated burger market, presenting the desirable opportunity to secure units in prime locations. Their popularity has gained the attention of established Five Guys and Popeyes franchisees who have chosen Slapfish as their next emerging restaurant brand.
