11607 - Business (or Biz to Biz) | Northern California - Peninsula

Click HERE to contact us about this business!

This unique business leverages expertise in electronic measuring instrumentation repairs for semiconductor, computer, telecom, aerospace and other industries to develop relationships with clients and offer other products and services. With 33 years in Silicon Valley, it has strong connections with local suppliers and thousands of clients in the US and abroad. As an approved vendor for many Fortune 500 firms, it offers great growth potential. It is operated by two family members. The owners are motivated to sell in order to retire. 8 weeks of training are included and extended technical consulting or part-time involvement by the owners are available. BTI#11607
