Hello Puddin is a new, health oriented chia product that has rapidly developed market share in Northern California and is now available in Raley's, Lunardi's, Lucky's, Molly Stone's and Amazon. The young founder has done an amazing job developing this health- oriented breakfast snack, arranging production (co-packed) and first class marketing. Revenue growth is only limited by a shortage of capital. Sales are projected to reach \$1MM. The owner is open both to an outright or partial sale and is available to remain on board to help bring the company to the next level! 80% owner financing!
