Company is a manufacturer of high-end stone products (manufacturing represents 75% of revenue) Consistently profitable even during Covid. After 26 years the owners are looking forward to retirement and handing off their business to an entrepreneur who will take up the reins and preserve their legacy. One partner will remain for up to 12 months if needed. The facility is owned by the partners and is available for sale (Including the real estate makes financing much more attractive for both buyer and the SBA—lowers the down payment and interest rate).
