CLOSED due to COVID19! This was a growing touring business utilizing team power to propel custom made multi seat bicycle driven bar hopping machines between local bars/ restaurants and events. Great growth from local groups totaling over 3600 users in 2019. COVID closed this business due to social distancing issues however, Cities of Corvallis and Eugene want this type of business in town so post COVID vaccine, this should rebound as the ideal way to meet people, build team spirit and invigorate the decimated local bar scene in both college towns in 2021. Opportunity is to acquire both custom made machines, website and all assets needed to re-establish presence and revenue.
