Medical mask manufacturing company based in Oregon that produces a surgical mask for General use under the FDA guidelines of the emergency use authorization Act. In high demand during COVID, this is an improved surgical mask used daily pre and post pandemic. Users include health care providers such as doctors' office, 24/7 clinics, veterinary clinics plus surgical centers, emergency rooms, first responders, forensics, hospitals and VA health centers nationwide. Ideal buyer would be able to add this manufacturing line to existing infrastructure with larger crews in operations and sales or a Disabled vet to leverage GSA contracts, Amazon and resellers.
