Mobile floral supply business with long established routes servicing PNW florists with all NON PERISHABLE supplies needed to operate. Easy, on-site purchasing allows for just in time inventory management for smaller flower shops that cannot readily afford to stock every type of vase, ribbon or other wide choice product on their shelves. Seller is retiring after a career of providing on site purchasing and excellent customer retention so we are seeking the next entrepreneur. Ideal buyer needs to enjoy meeting people, helping them solve their product needs for the week and being a dependable source of non perishable supplies to the PNW florist community.
