Opportunity to be your own boss, in a franchise business with variety and challenge. The company provides specialty packing and shipping of fragile, large, awkward and valuable freight. The award-winning franchise is a supportive partner, providing a significant number of assignments via their user-friendly website and negotiating favorable freight contracts for their franchisees. Current owner is ready to retire and has worked part-time since the pandemic. The business is recovering nicely (see financials) but can benefit from active marketing efforts by a new owner.
