Northern California - East Bay

[Click HERE to contact us about this business!](#)

This firm is a full-service engineering and design firm specializing in electrical and mechanical engineering and project management for the industrial, oil & gas, utility, independent power producers and institutional sectors. They are well known for producing accurate work, being reliable and delivering on time. The owner is willing to stay on long-term to transition the clients and business. This acquisition opportunity is well suited for an add-on to an existing engineering firm or for an individual engineer.
