This business is one of the leaders in Custom Interior System work for Street Rods, Customs, and Classic Trucks. Use vacuum thermo forming techniques to create plastic products for VINTAGE car and truck enthusiasts such as headliners, door panels, gas tank covers, under-dash cover for '72-and older cars and trucks, trunk lid covers, armrests, and much more. Each molded plastic product is manufactured in house in USA. All material is recycled and return all in-house generated scrap for recycling. This business can be moved and new products can be developed upon need. This business, customer base, website and \$60K inventory included with purchase.
