In 2011, founder Itai Afek opened Wolfnights when he noticed a gap in NYC's late-night food offerings, unique, filling sandwiches that can be eaten on the go. As a Wolfnights franchisee, you can do more than tap into leading trends in food service with a unique gourmet sandwich franchise. You also leverage our unique recipes and proprietary sauces and spice packs, our streamlined operational procedures, and a creative menu that appeals to guests of all ages and types - Wolfnights has something for just about anyone who is looking for fresh, hot, quick, and healthier meals.
