

SE10770 - Auto repair

Washington - Seattle

[Click HERE to contact us about this business!](#)

This shop has provided expert care and premium customer service for German automobiles for over thirty years. Decades of staff experience plus specialized tools and equipment enable this shop to handle the full spectrum of maintenance and repair tasks for new and vintage models. Five vehicle lifts facilitate expansion opportunity. Zoning for auto repair shops in this highly desirable city location is highly restrictive making it very difficult for new competitors to secure space.
