Since 1998 this branded online distributor of sporting goods that cater to entry level athletes and youths. The company has enjoyed consistent revenues of \$4mm+ and \$900k-1.2mm in SDE from 2017-2019. 2020 has been a challenging year for this company as organized youth sports has been put on hold due to the pandemic. Revenues are expected to hit \$1.8mm with a breakeven SDE, however, the company is in a strong position to rebound once the restrictions are lifted. A buyer could consider moving this into a 3PL model as currently the company handles fulfillment internally. This would be an excellent acquisition for existing online retailers or Amazon sellers.
