

ST7541 - Auto repair

Northern California - Central Valley

[Click HERE to contact us about this business!](#)

This well established Smog Check & Repair station is California Star Certified and provides complete smog, oil change, and auto repair services. The smog checks bring in the customers, but the repair side of the business creates longer term and more profitable relationships with their clients. Owner has developed relationships with area car dealers to provide their required smog services and also participates in State sponsored smog programs. Owner wishes to move onto other things after many years in business. Trained staff and mechanics will remain, but would be a great fit for an owner with some previous auto repair experience. The business is not a franchise, but has a VERY professional look and feel.
