Northern California - Central Valley

[Click HERE to contact us about this business!](#)

This established company provides same day 24/7 local deliveries and warehousing/logistics in the Northern California Central Valley. A majority of the business is from recurring client relationships and has had consistent growth. Company has a fleet of vehicles (included with sale) and has part-time driver employees (not independent contractors). One long-term client (under contract) leases dedicated warehouse space that pays the monthly rent for the entire warehouse and office space; making the fixed overhead of the business extremely low. Current owner is semi-absentee now, but wants to retire completely.
